II. BIDDER QUESTIONS

PLL Frequently Asked Questions

27. Some evidence based models are required to have at least two more clinicians, is this the same as the others?

No, the provider just needs to have one team **clinician**. We always support and whenever possible, it is best to have two clinicians.

30. What are the training requirements?

The PLL start up training is 5 days on site. The first two days are devoted to the 6 multi-family group sessions. The second two days focus on family therapy and the last day is completely dedicated to family interactional trauma therapy. All PLL clinicians and case managers must attend all five days to be certified to deliver the PLL model. ~~The PLL co-facilitators are required to attend the first two days only.~~ (See page 9 of the RFP)
